All tryouts are open to anyone. All tryouts are being held at Phillips Hall on the Miami University Oxford campus. Pre-registration is highly recommended, but not mandatory. Go to our website at www.borderlinevbc.org for more specific details. Allow a minimum of 45 minutes to register if you do so at tryouts. There is an on-site registration fee of \$40. Every athlete will receive a numbered tryout T-shirt they must wear to all tryout sessions they attend. The following documents are to be submitted to pre-register:

- Borderline Profile
- USA Volleyball Tryout Membership Card
- USA Volleyball Medical History
- \$25.00 Tryout Fee, payable to Borderline Junior Volleyball **Same day registration is \$40.00. Timely registration means all forms are completed correctly and submitted with the fee so it is received prior to tryouts.**

Any athlete that gives advanced notice may attend a tryout session with another age group, provided it is an age group scheduled for the same weekend. Each athlete is considered for the best team possible. Please refer to the age definitions on our website. We will offer American and Regional teams that may have grade level athletes on the roster.

Contact Bill Zehler at bill.zehler@borderlinevbc.org or go to www.borderlinevbc.org for more details. We are developing our 2023 version of the Borderline Handbook. Details on cost, coaching, fees, etc. will be listed there.
